

Hello Neighbors and Friends!

Winter is approaching, and it is time again to think about snow plowing. Our plows will be once again clearing our streets curb-to-curb this year after two inches of snowfall. We are now collecting membership dues to cover the cost.

Dues for 2016-17 will remain \$35.

Please remember that our service dispatches snow plows after two inches of snowfall. Cars parked on the street prevent the streets from being cleared curb to curb. Please remember to pay attention to the weather and move your cars off the street if we are expecting more than 2 inches of snow.

It was great seeing everyone at the block party on the island this summer. The rain came down pretty hard, but we had a good time first. Everyone seemed to really like using the island to meet neighbors, so we have started "Third Fridays" on the island. For two Fridays now, members of the board have gathered with our neighbors on the Island on McAlpin between Hiawatha and Tahoma. We will continue as long as we have somewhat nice weather. Please bring a cooler and some chairs and join us on Friday, October 21st at 7:30 PM!

Our next meeting is scheduled for Thursday, November 10th, at 7:00 PM in Wildwood School. We are not sure exactly which room we will be in, but please use Door 8 for entry to the school. It is the one by the new parking lot on Mendota. William Looney, Police Commander of our 16th District, will be joining us to address security issues in our neighborhood.

We would like to acknowledge the Boyce, Mahoney, Wojkowski, and Feminella / Rowley families. They were accidentally not included in our list of members which we sent out last Spring. We continue to update our website, NorthEdgebrook.org, with current memberships, and apologize for any problems this may have caused.

Congratulations to Stella Blazer who was the winner of our Candy Contest on the 4th of July. Her winning guess was 515 pieces of candy.

We have become an active association again, and we love to have new members. We are grateful to be joined by Mary Cuny, Steve Kravetz, and Cathy Bazzoni on our board, and our new Treasurer, Roslyn Steinberg. We would also like to thank Peg and Steve Benson for their time and service, along with our outgoing Treasurer, Norma Hartnett. Thank you all for supporting our association, and we hope to see you on Third Fridays and at our meeting.

NORTH EDGEBROOK
NEIGHBORHOOD!

What is the North Edgebrook Civic Association (NECA) ? – NECA covers the north side of Edgebrook. We consist of approximately 800 households within the perimeter of Caldwell on the west, Lehigh on the east, Mendota on the south and Touhy and Sherwin on the north. If you received this newsletter you are part of NECA.

NECA's Purpose – NECA began with one main goal – snowplowing. At the time NECA began, the City never plowed side streets. While the City now plows side streets, they are plowed long after the snowfall stops as the main arterial streets are the City's priority. In order to make sure our streets are passable after a snowstorm, a private contractor is hired to plow our streets curb to curb after 2 inches of snow has fallen. Snowplowing is our major expense but we also pay for landscaping of common areas such as the island on McAlpin, the triangle at Caldwell and Estes and the circle at Sherwin and McVicker. NECA purchased and maintains the "Welcome to North Edgebrook" signs throughout the neighborhood. NECA is also your voice regarding concerns affecting our area. The NECA officers actively work with various governmental and other agencies including the Alderman, Park District, Police Department, Schools, ComEd and the local Zoning Advisory Board. If there are any concerns regarding the neighborhood please let us know.
